Trend Powder Coatings for the IT Industry
引领IT行业专用粉末涂料趋势

Interpon IT

Trend Powder Coatings for the IT Industry

AkzoNobel Powder Coatings is one of the world's largest powder coatings companies. We are committed to the highest possible standards of quality in all aspects of our business in over 25 manufacturing plants worldwide and sales operations in more than 50 countries.

Drawing on over 30 years experience as an industry leader, we are uniquely placed to meet the needs of our customers locally and globally.

Interpon IT is a range of high quality colors and finishes specifically developed for the Information Technology Sector.

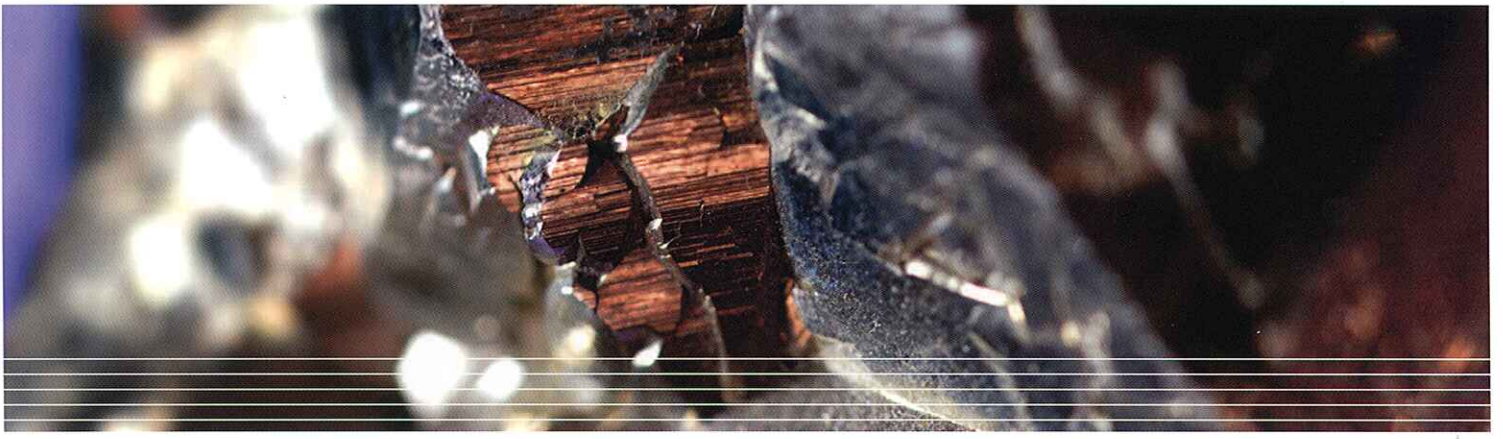

Interpon IT delivers outstanding performance whatever the need.

- Standard
- Metallics
- Galaxy
- Anodic
- Primers
- High Gloss
- Tactile

All products in the **Interpon IT** series meet with the requirements of the **IT MasterSpec** – a unique specification developed in collaboration with leading suppliers to the IT Sector. All our products comply with :

- A selection of industry recommended performance tests - mainly ASTM
- Additional tests as highlighted by leading industry OEM's
- A selection of the most demanding tests as defined by leading industry OEM's
- Both indoor and outdoor testing specified
